The escalating war in Vietnam led U.S. officials to look for ways to improve relations with Communist governments in Asia in the hopes that such a policy might lessen future conflict, undermine alliances between Communist countries, diplomatically isolate North Vietnam, and increase U.S. leverage against the Soviet Union. Likewise, Sino-Soviet tension contributed to the Chinese leadership's ...

Moreover, referring to it as an important achievement, that too on a timeline of five years, specifies the degree of China's insecurity. However, announcing it as an achievement amid the Indo-China standoff on the borders indicates that China would continue to make efforts to destabilize India's North-east with such dirty tricks.
