*Honda has a very easy system to identify which part has been produced for which model. To give a clear example: 13000-011-070 is the part number for a C110 crankshaft. The centre 3 digits indicate the model (see list below). Please be informed Honda also has a lot of exceptions due to interchangement of parts and supersession, but basically this is the main list of production codes. Press CTRL ...*
